

The logo for the SET PLAN Conference 2015 is contained within a white right-angled triangle. The triangle is positioned in the upper left corner of the slide. The text 'SET PLAN' is in a large, bold, black sans-serif font. Below it, 'Conference' is in a smaller, regular black font, and '2015' is in a medium-sized, regular black font. The background of the slide features a diagonal split: the top-left portion is white, and the bottom-right portion is a gradient of blue and purple, transitioning into a red and orange gradient at the bottom right.

### SESSION 2

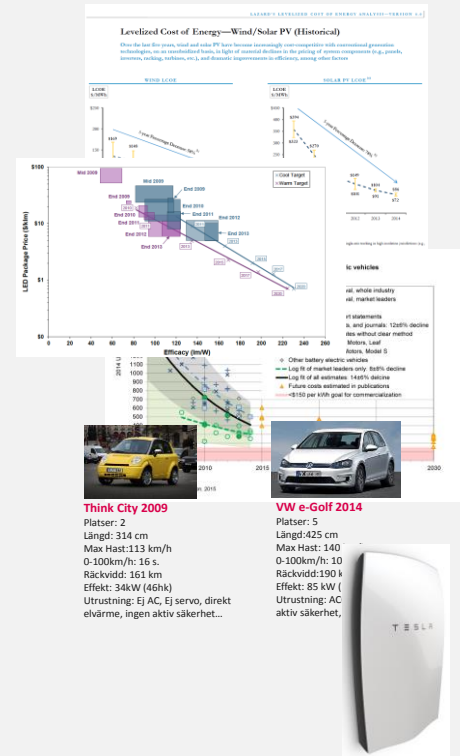

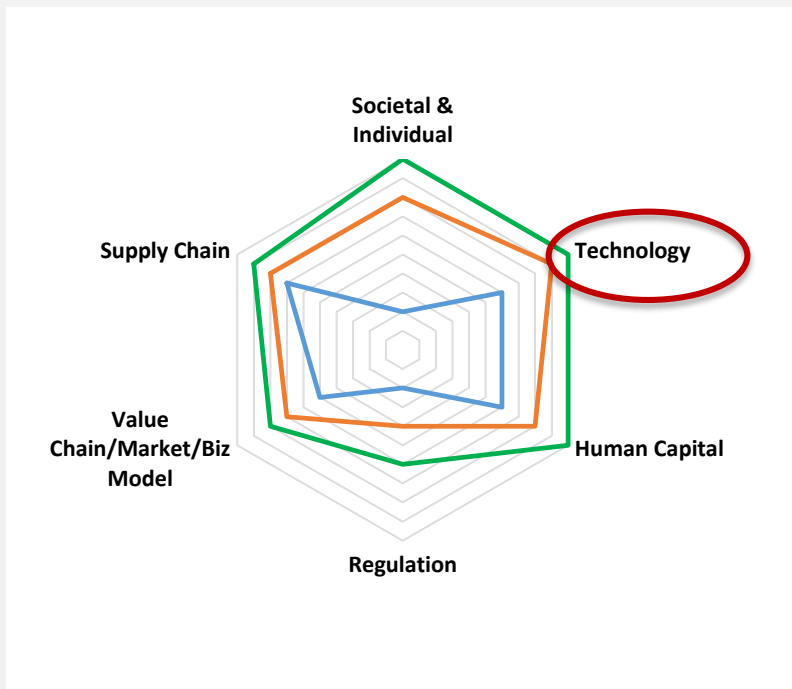

Towards a competitive European energy technology sector  
Monday 21 September 2015

## Energy transition: The enablers

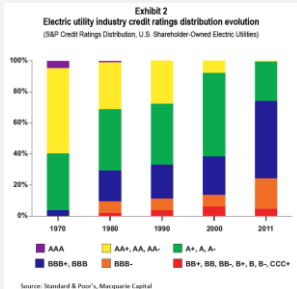

**It is not only about technology**

Some game changers..  
..but only enablers

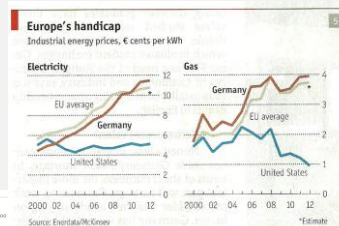

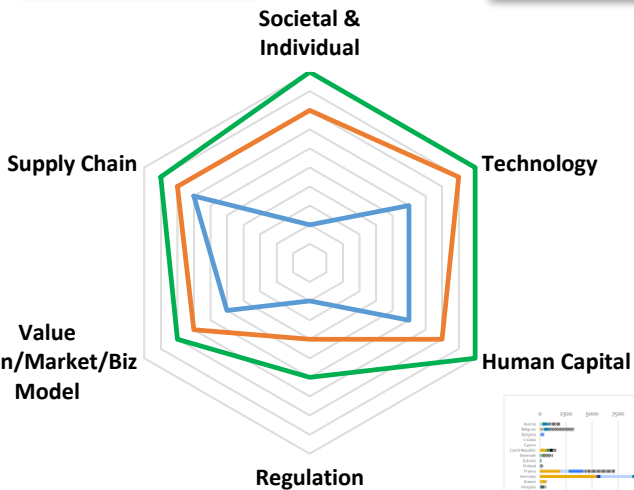

# SET PLAN Conference 2015

## Research, innovation and competitiveness in the Energy Union

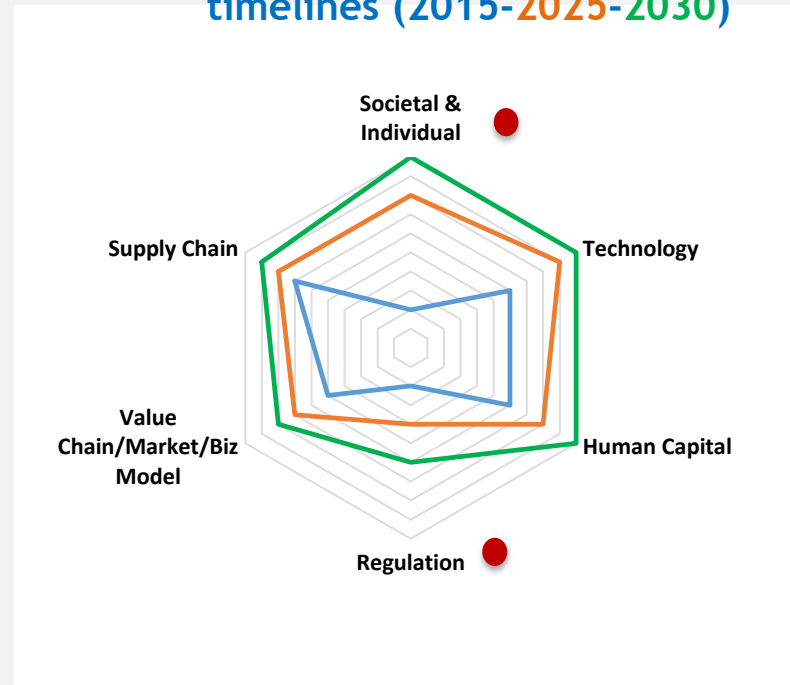

Government introduces a new criterion for the selection of companies from the Government Pension Fund (GPF)

Government will introduce a new criterion to exclude those companies that pose an unacceptable degree of risk to the environment. Together with a strengthening of the existing criteria, this represents a responsible investment strategy due to both the ethical and the financial implications of climate change, within the role of the Government Pension Fund, says the Minister of Finance, Siv Jensen.

## KIC InnoEnergy judgment of Europe's stand in the 6 dimensions in 3 timelines (2015-2025-2030)

**A global problem so far addressed locally (*and failed*)**

**But the solution can only be global ( $\Rightarrow$  *energy union*)**

**and**

**It is systemic**

**It is multidimensional**

**It is multidisciplinary**
